## 08-13-23

### *Key Theme:*

Worship is our life's greatest calling in anticipation of His coming and after His coming.

### *Key Application:*

Walk and live in the hope and promise that God is cultivating His church to be with Him.

### *Key Verse:*

Revelation 22:3-5 No longer will there be anything accursed, but the throne of God and of the Lamb will be in it, and his servants will worship him. They will see his face, and his name will be on their foreheads. And night will be no more. They will need no light of lamp or sun, for the Lord God will be their light, and they will reign forever and ever."

### *Key Questions:*

1. Take time to list, verbally or on paper, all the ways you experience the "curse" in everything we do.
2. What would the world and our potential be like in perfect relationship with the creator with unlimited time? Specifically write out what a world like that might look like?
3. Discuss worship. In what ways are you not living a truly worshipful life? How can you practically and specifically start living a new creation life?
