

LET'S MAKE A DIFFERENCE

By helping people with their physical needs, we gain the opportunity to share the love of Jesus Christ with them!

WHAT WE DO...

We partner with the local church to help needy families via our storehouse, resource center and Love In Action ministry.

We distribute furniture, appliances, clothing, food, household items, refurbished computers and even used cars.

Our Fresh Hope Program helps single moms get out of the poverty cycle.

We sew dresses and pants for children all over the world through the Dress-A-Girl Ministry.

We operate 2 stores: the Heavenly Treasures Gift Shop on our campus and the Oaklawn Thrift Store.

Thousands have turned their lives over to Jesus Christ through the ministry of His Helping Hands.

The Spirit of the Lord is on Me,
because He has anointed Me to
proclaim good news to the poor.
He has sent Me to proclaim
freedom for the prisoners and
recovery of sight for the blind, to
set the oppressed free.

- Luke 4:18

accepts as pure and faultless is this:
to look after orphans and widows
in their distress and to keep oneself
from being polluted by the world.

HHH STORIES

FINDING HOPE AGAIN

A local church called HHH to help with a transient family. After talking to the family about their current crisis, HHH helped them with gas for their vehicle and food and invited them to come to an upcoming clothing distribution. There, an HHH counselor met with the family to provide additional prayer support and encouragement. During this meeting, the HHH counselor was able to find a room for them at a local homeless shelter. The transient family was grateful for the help and re-committed their lives to Jesus Christ!

TRANSFORMED LIVES

A family who did not have any household furnishings was referred to HHH. They were depressed and desperate for hope. When the wife came to HHH to pick up some household furnishings, she gave her life to Christ after talking to one of the HHH counselors. A year later, the woman returned to HHH for some assistance with some clothing. She told the HHH counselor that she had committed her life to Jesus Christ a year earlier at HHH and that her whole life had been turned around for the good. All five of the family members were now going to a local church and they were experiencing God's blessings daily.
