

A Roadmap for Spiritual Growth

FOR KIDS NURSERY TO 5TH GRADE

*"Hear, O Israel: The LORD our
God, the LORD is one. You shall love
the LORD your God with all your heart and
with all your soul and with all your might.
And these words that I command you today
shall be on your heart. You shall teach them
diligently to your children, and shall talk of them
when you sit in your house, and when you walk
by the way, and when you lie down, and when
you rise. You shall bind them as a sign on
your hand, and they shall be as frontlets
between your eyes. You shall write them
on the doorposts of your house
and on your gates."*

Deuteronomy 6:4-9

At **Central Christian Church**, we believe that **parents are the primary spiritual leaders** in their children's lives, and it is our privilege to **partner with families** in nurturing a strong, Christ-centered foundation. **Scripture makes it clear that God calls parents to teach their children His ways.**

This passage reminds us that teaching our children about the Lord is not a once-a-week event but a **daily rhythm** of life. While the church provides **biblical teaching, encouragement, and community**, it is in the **home** where faith is nurtured most deeply. Our goal is to **equip and support you** as you lead your child to know and love Jesus.

Our **children's ministry follows a three-year cycle** through the entire Bible using **Lifeway Kids' Gospel Project** curriculum. This means that every three years, your child will **walk through the whole story of Scripture**, seeing how **every part of the Bible points to Jesus**. Since children are in our program for multiple years, they will encounter these truths **multiple times**, reinforcing **biblical themes and deepening their understanding** at different stages of their development.

Additionally, **every age group—from preschool through 5th grade—studies the same material each week**, tailored to their level of understanding. This allows families to have **shared conversations at home**, reinforcing what their children learn in church. We encourage parents to engage with their children, ask questions, and explore God's Word together.

We are excited to walk alongside your family on this journey of faith, and we are here to **support, equip, and encourage you** in raising your child to love and follow Jesus!

How Does Sunday Morning Childrens' Ministry work?

On Sunday mornings, we welcome your family to begin by checking in your child at our Children's Check-In Counter and kiosks. We encourage families to worship together during the main service, especially by participating in communion as a family. After communion, you may take your child to our children's programming, where they will engage in age-appropriate biblical teaching and activities. After the worship service, you can either pick up your child or, if you choose to attend one of our adult Bible classes, you may pick them up afterward. Our goal is to provide a safe, engaging, and Christ-centered environment for your child while supporting your family's spiritual growth!
